PETITION UNDER 37 CFR 1.181(a)

Sir:

The present application was abandoned by the Notice of Abandonment mailed on February 1, 2007 on the reason that the reply to the Office letter mailed on February 17, 2006 was not filed. However, the application should not be abandoned, as explained below.

The present application was filed on March 12, 2004 in the name of Kanesaka and Takeuchi at 1423 Powhatan Street, Alexandria, VA 22314. I established a new Office of Hauptman Kanesaka Berner Patent Agents LLP on May, 2004 at 1700 Diagonal Road, Alexandria, VA 22314, now changed to Kanesaka Berner and Partners Patent Agents LLP at the same address.

After I had moved to the new address, I changed the address based on an electronic list of my cases prepared by the Patent Office. Later, it was noticed that the present application was not included in the electronic list supplied by the Patent Office.

Accordingly, the change of address was filed again on February 16, 2006, a copy of which is attached herewith.

After the Notice of Abandonment was delivered, the file at the Patent Office was checked. As a result, it was noticed that the Office Action was mailed on February 17, 2006 after filing the second change of address. The Office Action was delivered to the old address, and returned to the Patent Office on February 27, 2006.

Although the change of address was formally filed before the mailing date of the Action, the Patent Office did not deliver the Office Action properly. Further, even after the Office Action was returned, the Office Action was not delivered to the new address.

Therefore, the present application should not be abandoned. Please withdraw the Notice of Abandonment and issue the Office Action once again.

If any fee is required, please charge the fee in connection with the present application to Deposit Account No. 11-0219.

Very truly yours,

By
